Fonction	Associate

Johan Akrouit's main areas of practice are litigation, insolvency and corporate restructurings, as well as criminal law.

Johan assists his clients in the settlement of their civil and commercial disputes, as well as in handling distressed companies in the context of both prevention and insolvency proceedings.

He also defends individuals and corporate entities in general criminal law and business criminal law.

Johan Akrouit holds a Master's degree and a Master 2 in Business Law from the University of Paris I Panthéon-Sorbonne.
