| Fonction | Partner |

Julien Marceau has been a member of the Paris Bar since 2014. He joined the firm's public law team as a partner in September 2020, which is recognized by Legal 500 (public and administrative law), Décideurs (administrative contracts and related litigation, public domainality, land management, urban planning and development, promotion and construction), Le Point (public law, real estate law), and Best Lawyers.

He has recognized expertise in public law, particularly in urban planning and development law, as well as in public finance and taxation of public entities. He has also developed a decisive expertise in public health and healthcare law, and in social and medico-social action law, fields in which he has been advising public and private institutional entities for several years in the context of projects of national importance.

Julien Marceau practiced law for more than 5 years before co-founding the firm CMAA in 2019 and joining FTPA in September 2020.

He regularly conducts training courses in planning law and public health law and is a lecturer at the Institute of Business Law and Economics of the Jean Moulin Lyon 3 University.

Julien Marceau is a graduate of the Institut de Droit et d'Économie des Affaires of the Université Jean Moulin Lyon 3, and holds a Master 2 in public business law and a University Diploma in Public Law (ex-Magistère de juriste en droit public des affaires), a University Diploma in European Integration and a University Diploma in American Law.

Areas of expertise :

- Development and urban planning law
- Public construction law

- Public health and health care law
- Public finance law and taxation of public entities
- Administrative liability law
